

The decision by Sinclair Broadcasting's to force their stations to air an anti-Kerry documentary days before the election is a clear indication to anyone that what they are calling a "news" program, is NOT!

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest and follow the law. It is reprehensible to air this show as "news", giving it a public credibility that is stolen while at the same time avoiding declaring it's true status as a campaign ad. This is a clear abuse of the public trust and the law. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them.

I urge you to reconsider the renewal of Sinclairs broadcast liscence and disallow showing of the "ad" unless it is paid for as such.

Thank you.
